

INDUSTRIAL WEIGHING SOLUTION™

GYUMO®

GM-310 Hybrid Scale

GM-310 Hybrid Scale

GM-310 Hybrid Scale

Gyumo GM - 310 Series provides you profitability improvement accuracy and efficiency in various weight - measuring process such as Food, Logistic, Mining, Waste, Metals, and Engineering Industries.

Features:

- Built in Rechargeable Battery
- Accumulating Function
- Built in RS - 232
- Selectable Weighing Capacity and Precision
- Suitable for Industrial Environment
- High Bright Red LED Display
- Accurate and Super Stability
- Easy to Calibrate
- Resolution Display 1/30.000
- Rechargeable battery Red LED 6V/4Ah

SPECIFICATION

Model	GYUMO Hybrid GM-310
Platform Size (cm)	48 x 66
Capacity (kg)	300 - 500
Readability (g)	200 g
Display	Red LED 2" Inch
Power Supply	220VAC/50Hz
Rechargeable Battery	6V/4Ah
RS 232	Serial Port DB9 & USB Port
RS 485	Serial Port DB9
Resolution	1/30.000
Operating Temperature	0 ~ 40°C
